EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel R. Kimbell (#34,849) on March 12, 2007.

The application has been amended as follows:

In the Claims:

1. (Currently amended) A seat arrangement for a motor vehicle seat, comprising:
a seat base which defines a seat surface for a vehicle occupant and extends in a longitudinal direction of the seat; and
a backrest, wherein the backrest is adjustable in the longitudinal direction of the seat relative to the seat base by a lever arrangement, wherein the lever arrangement is formed by two spaced apart articulated levers, wherein each lever has a first and second end, wherein each lever is attached on the first end to a support plate displaceable together with the backrest, and on the other end is adapted to attach to a

floor unit of a motor vehicle ~~which are attached on one side to an element displaceable together with the backrest and on the other side to a floor unit.~~

The following is an examiner's statement of reasons for allowance: The Blasin patent (U.S. Patent No 4,368,916) does not teach that each lever is attached on the first end to a support plate displaceable together with the backrest, and on the other end is adapted to attach to a floor unit of a motor vehicle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rodney B. White whose telephone number is (571) 272-6863. The examiner can normally be reached on Monday-Friday.
